

“EKORACIJA “ is making decorative object from recycable materials.

MISSION is to gather students as much as we can, who know lots of different tehnicques of hand making and give them the possibility and courage to continue with it. VISION is to make a highly motivated young population which in a incetive enviroment presents their interests and actively participate in their self development.

**SAVE THE NATURE,
DON'T TRUE THE
PAPER**

entrepreneurship*

SALES PROGRAM

- Wall clocks
- Lamps
- Baskets
- Frames

All products are made from old newspapers and magazines and varnished so that they are very resistant and useful

*“Don’t true the paper,
Save the nature”*

- Our motto -

We hold sales exhibitions around the city during the big holidays, around the school during the celebration of important days and by participating in various competitions and fair. Part of the proceeds from the sale we donated for the treatment of sick friends from school and the other part was used for our trips.

FAIRS

- Flower fair (Pozarevac)
- Creative fair (TC Stop Shop Pozarevac)
- Student company fair (Belgrade, Kragujevac)
- Internal school trade (ETS Pozarevac)
